

Facility Security Checkpoint

SOLUTION

SecurMAR's Security Checkpoint Solution includes:

- Improved Detection Capabilities
- Increased Screening Efficiency
- Reduced Total Cost of Ownership for Security

To maintain security in your facility, you need to detect weapons, explosives, and other contraband before it enters and without compromising throughput. In addition, you need to have highly reliable systems to keep costs low and security high.

SecurMAR offers a reliable security solution for your facility without compromising efficiency or detection capability. The Security Checkpoint Solution is a portable system and requires little room for operation. This system fits easily into most lobbies while maintaining aesthetics. Designed specifically for courts and lobbies, SecurMAR's Security Checkpoint Solution delivers superior detection capabilities utilizing the industry's preferred manufacturers of state-of-the-art security screening equipment.

Facility Security Checkpoint SOLUTION

SecurMAR's Security Checkpoint Solution includes:

Smiths Heimann HI-SCAN 6040ds X-Ray Inspection System

- Maximum inspection quality with minimum inspection time
- Simple and efficient operator interface improves identification of threat objects.
- Proven reliability reduces downtime and maintenance costs
- Large tunnel size (24.4" W x 16.5" H) accommodates large objects easily
- Small, compact system can be easily moved to other checkpoints

CEIA HI-PE Multi Zone Walk Through Metal Detector

- High throughput with low nuisance alarms
- Detects threat objects such as guns and knives consistently while allowing personal items such as keys, coins, and watches to pass
- Proven safe by the FDA for people with pacemakers and other medical devices

CEIA PD140 Hand Held Metal Detector

- Noninvasive secondary screening
- Detects metal objects without touching the body

Choose the systems used by the most frequent purchasers of security equipment.

- Transportation Safety Administration (TSA)
- United States Marshals Service
- United States Secret Service
